Rules and Regulations

1. Enjoy the game of golf and your time at Reading Country Club.
2. Speed of Play: Under normal playing conditions a round of golf (18 holes) should be played in 4 hours or less. If conditions are such that management has requested the carts to remain on the paths then rounds should be completed in 4 and a half hours or less.
3. Respect and obey rangers and/or staff members on the course and throughout the club facilities attempting to enforce the rules of the club. (Reading Country Club's staff is trained in the "Above and Beyond" customer service program and will enforce the rules in a courteous manner.)
4. Management reserves the right to limit the amount of members playing during prime time on Weekends. Notice will be given when and if this rule will be enforced.
5. While on the property enjoying the game of golf, management expects that all players will follow the "Rules of Golf" and conduct themselves in the true spirit of the game and sportsmanship.
6. Allow faster golfers to play through. Even if you are playing within the time frame of rule 2, when a hole is open in front of you and players are waiting behind, allow them to pass through.
7. Rake bunkers, replace your divots and fix your ball marks plus one.
8. Member's are responsible to make tee times and check in with the Golf Shop before teeing off. Members without a Tee Time are subject to availability.

I hereby acknowledge the receipt of the Reading Country Club Membership Plan and the Rules and Regulations and that I have read and understand them. I agree to be bound by the terms and conditions they set forth and understand that ownership or management has the right to retract my membership in the event of rule infractions.

I understand that they may be amended from time to time by the Club. I further acknowledge that I am not relying on any oral representations in participating in a program at the Club. I understand that the above fees are non-refundable. I understand that my membership does not entitle me to any ownership or equity in the golf course, club and other property.
