Plan Review Fees

All fees in excess of the applicable filing fee, incurred for the review of plans and reports thereon by the Township’s engineer or other professional consultant will be billed in accordance with the ordinary and customary charges of the Township’s engineer and other professional consultant to the Township. The applicant shall, prior to the Township approval of the Stormwater Management Report and plans, pay the Township the excess amount expended in the reviewing of the plans/reports. Any unused portion of the total fee charged to any applicant will be returned to the applicant. This refund will be made only after plan approval by the Township Board of Supervisors. No development or subdivision shall be approved unless all fees have been paid in full.

Stormwater Management Reports and Drainage Plans included with submission under the Exeter Township Subdivision and Land Development Ordinance. The Filing and Review Fee for Reports and Plans prepared to demonstrate compliance with this Ordinance is included in the Plan Review Fee established by resolution from time to time for submissions made under the Exeter Township Subdivision and Land Development Ordinance.
