Revised “Telecommunications” Ordinance 390-71.8

Mr. Speece stated that the meeting was properly advertised, and proof of the advertisement is available.

Ms. Luke clarified that this is a proposed Amendment to the Zoning Ordinance, and was advertised for two consecutive weeks June 29th and July 6th in compliance with Municipalities Planning Code.

Ms. Kircher asked if the purpose of this amendment is just to update it. **Ms. Luke** responded that the telecommunications ordinance was originally contained in chapter 344, which was not the zoning code which made it unclear how a resident could seek relief. This move will allow for relief to be sought if necessary. The second reason is to update it in order to be consistent with updated FCC wireless regulations.

PUBLIC COMMENTS: NONE

MOTION of Ms. Kircher, seconded by Mr. Cusatis, the meeting adjourned at 7:13 PM.

Respectfully Submitted,

Laurie Getz
Township Secretary
